P. KEVIN CASTEL, U.S.D.J.

Any counsel who is aware of an action pending in this or any other court with the same or overlapping claims shall notify the Court in writing via fax.

The pre-motion conference requirement is waived for any motion for consolidation, appointment as lead plaintiff and/or approval of selection of lead counsel.

Any defendant seeking an adjournment of time to answer or otherwise respond to the complaint shall contact plaintiff's counsel to seek consent and may, thereafter, fax a letter to chambers advising whether or not consent was obtained. If the adjournment is approved by the Court, it will enter an order endorsed on the letter. For sake of uniformity, adjournments, in the first instance, should extend until 20 days following order appointing a lead plaintiff.
